## PROVISIONAL VOTER NOTICE

§ 24.2-653, Code of Virginia

*The officer of election must give this notice to every voter completing a provisional ballot at the polling place. The officer must also check the provisional reason(s) below that correspond to the voter's provisional ballot envelope.*

Dear Voter,

You voted a provisional ballot today for the reason(s) checked below. Your local electoral board will determine which provisional ballots should be counted. The meeting will begin at \_\_\_\_\_ o'clock on Wednesday, \_\_\_\_\_ at \_\_\_\_\_. You have the right to attend the meeting to present any information that might prove you are a qualified registered voter of this precinct; you may also request an extension of the meeting to the next day in order to provide such information. If you have any questions, call the general registrar's office at \_\_\_\_\_. If the electoral board cannot determine that you are a qualified registered voter of this precinct, then your ballot will not be counted. After the completion of the vote count, you can find out if your ballot was counted by calling the toll-free number: **866-839-2556** asking for locality # \_\_\_\_\_.

☐ **Name not on pollbook** (Reasons #1 and #2 on provisional ballot envelope)

Your name did not appear on the list of persons registered to vote in this precinct and the general registrar either could not determine your qualifications to vote or could not be reached. Since you told the election officer that you are qualified and registered to vote in this precinct you have been given a provisional ballot to vote.

To count your ballot, the electoral board must determine that you are or should have been registered for this election and are qualified to vote in this precinct.

If you applied for registration at a DMV or another government agency, please provide the agency name, location and approximate date to the officer of election. If you have a registration receipt from an agency, please provide the information to the officer while you are at the polls, or call your local general registrar before the meeting listed above. If it is proven that you attempted to register before the close of books at a DMV office or another National Voter Registration Act designated agency (and only at these offices), the registrar will use the voter registration application you completed and turned in at the polls today to determine your qualifications to be registered, which may result in your ballot being counted.

If your registration was cancelled and you believe this was in error, you may provide information to this effect to the general registrar before the meeting listed above, or attend to present your information.

The general registrar will notify you in writing if you are not properly registered.

☐ **HAVA ID – Federal Elections ONLY** (Reason #3)

Our records indicate that you registered by mail, are voting for the first time in a federal election and did

not show one of the forms of ID required by federal law (the Help America Vote Act of 2002, or HAVA). Acceptable forms of HAVA ID are: your current and valid photo identification; or a copy of a current utility bill, bank statement, paycheck, government check or other government document that shows your name and address.

Your fully completed and signed provisional ballot envelope with the statement of voter satisfies the requirement that voters without required HAVA-ID vote by provisional ballot. If you are otherwise registered and qualified to vote in this precinct, your ballot will be counted.

☐ **Voted after normal poll closing** (Reason #4)

You were required to vote a provisional ballot because you voted after the normal poll closing time due to a court order extending the voting hours established by state law.

If the court order has not been overturned when the ballots are ready to be counted, and you are otherwise registered and qualified to vote in this precinct, your ballot will be counted. If another provisional reason also applies to you, please see that reason.

☐ **Absentee ballot lost or not received** (Reason #5)

You were required to vote a provisional ballot because our records show that you were issued an absentee ballot but it had not been returned prior to election day, either marked or unmarked. You offered to vote in your regular polling place, indicating that your absentee ballot was lost or had not been received.

If you are otherwise registered and qualified to vote in this precinct, your provisional ballot will be counted after the electoral board verifies that your absentee ballot was not received and counted.

# Virginia Voter Registration Application Form

---

## Instructions

**You are not officially registered to vote until this application is approved.** You should receive a Voter Card in the mail. If you do not receive this acknowledgement within 30 days after mailing this form, please contact your city or county voter registration office or the State Board of Elections. If you are already registered to vote with your current name and address, you do not need to re-register. If you have any questions regarding your voter registration status, please call your local Voter Registration Office.

## Identification Requirement

### ***For Registration***

If you are registering for the first time by mail, federal law (the Help America Vote Act) requires you to provide identification. To avoid delays, please **enclose a copy of one of the following documents** that shows your **name and address** with your application: (1) current and valid photo ID, (2) current utility bill, (3) bank statement, (4) government check, (5) paycheck, or (6) other government document. You can also present this required identification at the polls but may experience delays.

### ***For Voting***

Virginia law requires every voter voting in person to show identification or sign a statement, subject to felony penalties for false statements pursuant to §24.2-1016, that the person is the named registered voter.

## Mailing Instructions

- Place completed application in an envelope.
- Write your name and return address on envelope.
- Write the address of the voter registration office for the county or city where you live. List *provided on the next page*.
- Must be **postmarked** at least 22 days before the next Primary or General Election in which you plan to vote.

---

**Privacy Act Notice:** Article II, Section 2 of the Constitution of Virginia (1971) requires that a person registering to vote provide his or her social security number, if any. Therefore, if you do not provide your social security number, your application for voter registration will be denied. Section 7 of the Federal Privacy Act (Public Law Number 93-579) allows the Commonwealth to enforce this requirement, but also requires that you be advised that state and local voting officials will use the social security number as a unique identifier to ensure that no person is registered in more than one place. This registration card will not be open to inspection by the public. Your social security number will appear on reports produced only for official use by voter registration and election officials, and for jury selection purposes by courts.

**WARNING: INTENTIONALLY VOTING MORE THAN ONCE IN AN ELECTION OR MAKING A MATERIALLY FALSE STATEMENT ON THIS FORM CONSTITUTES THE CRIME OF ELECTION FRAUD, WHICH IS PUNISHABLE UNDER VIRGINIA LAW AS A FELONY. VIOLATORS MAY BE SENTENCED TO UP TO 10 YEARS IN PRISON, OR UP TO 12 MONTHS IN JAIL AND/OR FINED UP TO \$2,500.**
